Yer ol' pal,

Zoo's keep tamer animals.

\*sniff\* Ahh. All them frails Shackin up in tha' house. You can smell

Their sex waftin like perfume. Pherimone laced and makin my MOUTH  
flaimin

water 'cause I know I'm gonna get me some.

Who's gonna stop me?! Baldy, Ha! He's been want'n a peice o' these  
cunts fer years.

Maybe if he's reall nice and begs me, I'll let him play w' Red when  
I'm through

sucking her honeyed blood off my fingers.Runt? I'll kill him first  
and use his

balls to ash my cigars out on. 'Sides.. All the weather witch has  
t'do is lick

her lips and his shaft gets riggiied. I'd go fer fuckin the purple haired

wentch and finish tha job I left last time, but she ain't here. Coulda got me some

o her sex in Soho, but I don't do "sloppy seconds". Wonder what tricks bird boy uses

to make her sqweal. Not like his pecker could satisfiy that fuck when their ain' squat

there to fuck. Ohh itd be fun ta do that to Rouge. Just ta get even with Mystiqe.

Now she was a number! Never met a woman I want nothing more than to gut but

screwin her was too much fun fer that. Do it again some times.

I'm just drooling at the bounty before me. Got all I need t' do it good to em here to.

Power inhibitors, and a regenerative facter. Great combination. If I

letsm live, they'll never get my funk offem. I go treat Jeannie to a ride, from what I smell

she's gonna come away with more than happy memories. Great way t' get back at Logan.

I know with goose stepper dead an' gone, he's just dien' ta get inta that

skirt. Might provide me some fun too. I always loved a good screamer. An' shes

gonna scream my name till blood lines her fucking throat. \*sniff\* Ahh yes.

I love New York. It's gotta great night life fer finding a screws t' entertain you.

And get some work done too. These Bitches can put up a fight. But tha's o.k.

They can fight all they want. I'm looking for a good fight and Red's the one t'

give it to me. An maybe I can give that to her and show that dewey cunt

what a real man is.

End  
file.
